

Statement of Compliance

The Electric Vehicles (Smart Charge Points) Regulations 2021

This certificate details compliance of the Indra Smart LUX™ Charger with the Electric Vehicles (Smart Charge Points) Regulations 2021 when installed according to the Installation Guide (October 2022).

The Smart LUX™ 23 with version 10.1.0 or greater firmware complies with the full scope of the Electric Vehicle (Smart Charge Points) Regulations 2021 when used with the Indra App connected to Indraverse™ to manage the charger. This certificate should be completed and signed by the seller. The certificate should be presented to the owner of the Indra Smart LUX™ charger for their records.
